ZEA

THE ART OF POURING

At ZEA, each beverage is conceived as a liquid expression
of Mediterranean coastal luxury, refined by subtle Peruvian influence.
Each drink is crafted with intention, focusing on freshness, balance,
and restrained complexity, where technique exists solely
to elevate flavour.

The menu is designed as a natural sensory progression, moving from
aperitivo through to signature and evening expressions,
while representing the core spirit categories with a clear emphasis
on Mediterranean and South American provenance.

ZEA's liquid identity is deliberate and unwavering. Mediterranean influence
leads every expression. Peruvian elements remain understated.
Freshness is favoured over sweetness, and elegance takes precedence
over performance. Each drink is defined clearly and confidently,
with every creation explainable in a single, considered sentence.
ZEA commits to one distinct liquid voice, built to endure.

The bar operates in close dialogue with the kitchen, embracing savoury
notes, fortified wines, herbs, olive oil, and saline accents. This approach
creates a seamless connection between the culinary and beverage
experiences, reinforcing ZEA's philosophy across both plate and glass.
